Why should I? What are you to me?

We're family.

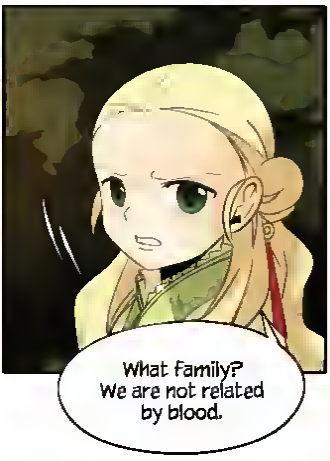
We used to play hide-and-seek like this.
Your location is obvious 'cause I know how far you can travel.
I had to run fast in case you ran away again.

Why did you chase after me instead of following your brother?
Because you're the one I was looking for.

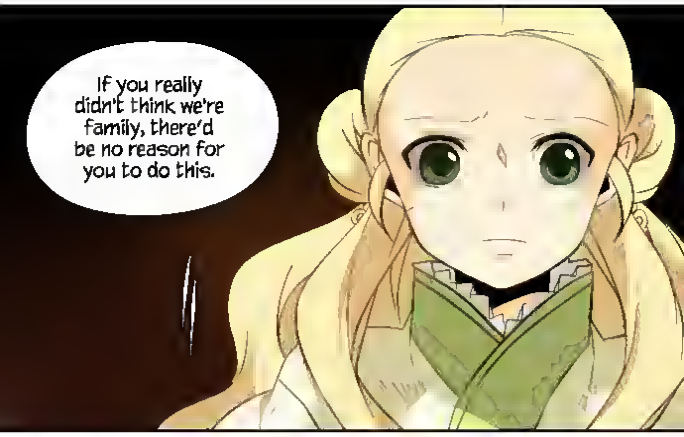
So c'mon. Let's go back home.

Did you really think that I'd simply follow you if you found me?
Why should I? What are you to me?

We're family.



What family? We are not related by blood.



If you really didn't think we're family, there'd be no reason for you to do this.

You were angry because you cared about Mother the most.
If you really thought of us as strangers, you wouldn't be going this far.

Unnie,

...what... happened to Mother?

And I've never seen her since then.

Because you took Mother's stone.
What is this?
Hmm, let me call it a time stone.

This stone shows my remaining time
If I die it will disappear.
Why would you make such thing?
Because, just like any other priestess, I would die if I suddenly lose my divine power.
If I die unexpectedly, you and Yu-Ha might keep searching for me pointlessly

WHY ARE YOU SAYING THAT?
I WON'T DIE! THERE'S NO WAY YOU WOULD DIE!
There's no such thing as immortality in this world.
Plus, I've been alive for...for too long.
It would be no surprise for me to disappear right now. So keep this safe, and if something really does happen to me
...then you and Yu-Ha will need to rely on each other to get by.

Okay?
The time stone disappeared long ago

When I was eight, I was abandoned –
left on my own for the first time.

I can't remember how many days I was alone.
I just kept waiting.

I might have already known...

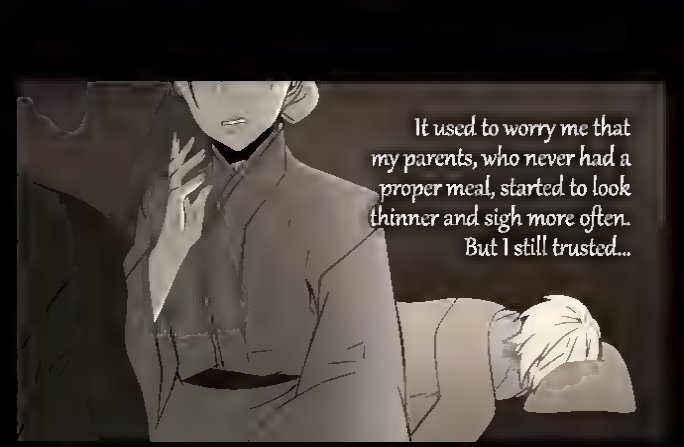
We'll come and get you.

...that it was a lie.

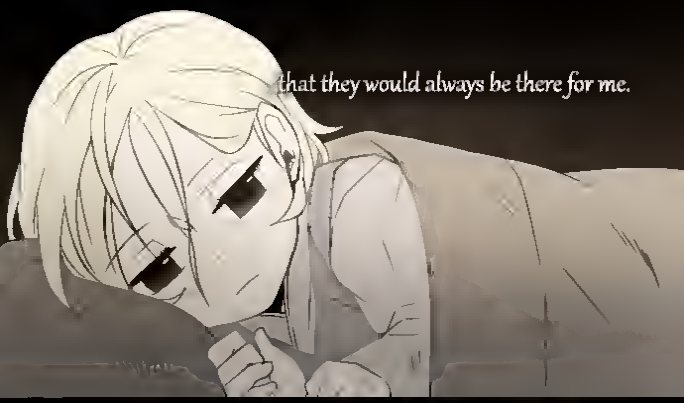
I found it suspicious that the kids around me slowly disappeared one by one.

But one day, I found out...

...the children didn't disappear. They were deserting me.



It used to worry me that my parents, who never had a proper meal, started to look thinner and sigh more often. But I still trusted...



And that was the result of my trust.

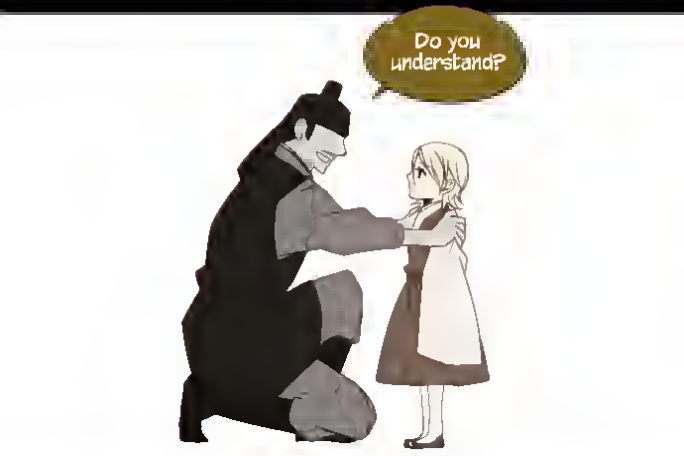
At first, people gave me attention and sympathy,
But they were also barely getting by, as they knew very well. Soon, I just became another victim sleeping on the streets.
It was a bit better during the daytime.
At last I felt less lonely as I watched the shadows of people passing by.

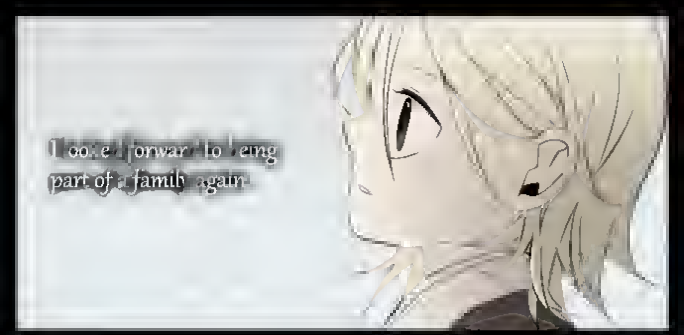
But at night, everything was dark.

In the dark, everything seemed scary:
the scenery, the same people I saw in daytime,
and even myself.

Then a mysterious light appeared. I don't know if it was created from my desperation or if it had always been there and I just hadn't noticed.
What's this?
...
Hey, Kid,

That light brought me a new family.





My hopes did not last long.

It's not like that.
It's just that I'm...

I only wanted someone to lean on because I didn't want to be alone anymore.
Even if they hit me or force me to do bad things, I just want someone to stay with me.
I'm really tired of being alone.

Does this shock you?
I don't even know my age anymore.

I really must be a monster.

DON'T SAY SUCH NONSENSE!
YOU'RE NO MONSTER — UNLIKE BAEK-YEOM, WHO MAY BE REBORN!
Thank you.
So, all this time, you've been going to Tae-Ryung Palace?
Yeah. I sometimes use my power to sneak into Tae-Ryung-Gong.

The priestess has made a barrier, so I can't stay in Tae-Ryung-Gong very long.

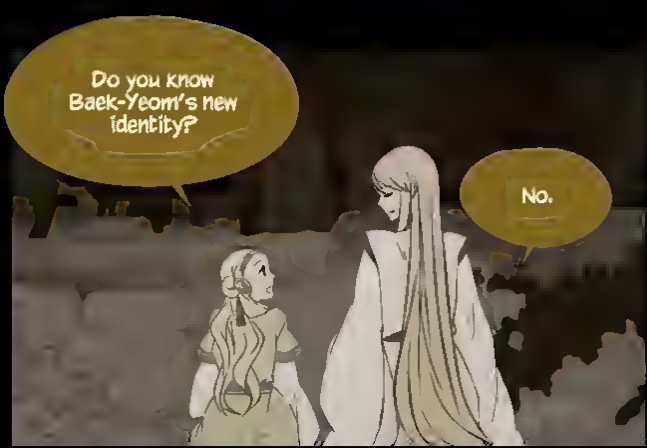
glow



Do you know Baek-Yeom's new identity?
No.

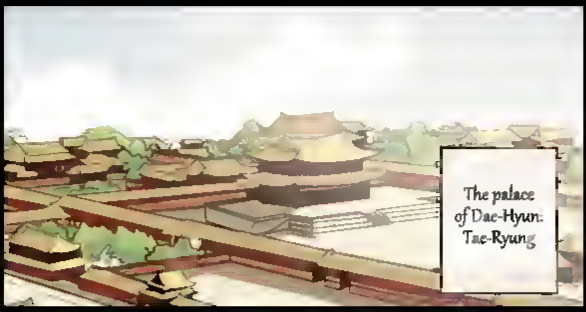
He has not completely reincarnated.
What do you mean?
Baek-Yeom was reborn, but without his memory.
But the fact that I feel even a hint of Baek-Yeom's power...
...means that, when Baek-Yeom recovers his past memory, his original power will be restored.
Long ago, when I was still a priestess in Tae-Ryung Palace, another priestess told me about a someone who was reborn.

She said that all their powers started returning the moment they recovered their memory.
But it does take some time until they are fully restored.
The moment Baek-Yeom regains his memory...
is my one chance.
It's my best chance to get rid of Baek-Yeom.

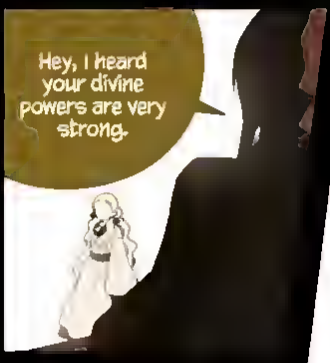
Personally, I hope that Baek-Yeom never remembers his past,
but that's wishful thinking.
So for now, all you know is that Baek-Yeom is definitely one of the three royal princes, right?
Then why don't you disguise yourself as a priestess of Chun-Eum-Chung and have a look around?
If you get close, won't you be able to tell which one is Baek-Yeom reincarnated?

Oh. You said you visited Tae-Ryung-Gong as Queen of Myung-Joo.
Someone might recognize you.
...
Then I'll get into the palace.
You can't.
Why?

The reason I told you all this is because there should be no secrets between family members.
I don't want you to put yourself in danger!
I TOLD YOU BEFORE! I WANT TO HELP YOU!!
So let me help.
...



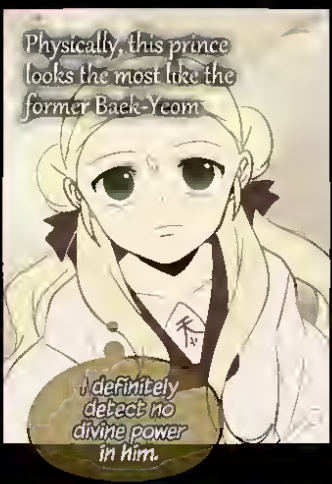
The palace of Dae-Hyun: Tae-Ryung



Hey, I heard your divine powers are very strong.

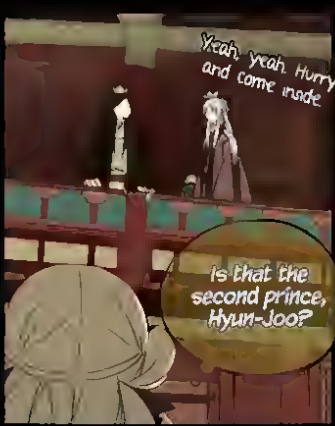
Was your name Ha-Hyeon?

This is the Crown Prince, Jin-Won.



Physically, this prince looks the most like the former Baek-Yeom.
I definitely detect no divine power in him.

Brother, what are you doing out here?
Hyun-Joo, Dong-Hyung! Let me introduce you to this kid. I heard she has incredible divine power!



Yeah, yeah. Hurry and come inside.
Is that the second prince, Hyun-Joo?

And as Ga-Bi feared, the day Baek-Yeom regained his memory was fast approaching.

Yes. But we won't simply let them go.
We'll first tell them that the emperor used the priestesses to destroy Seol-Wan, and that he is an imposter.

But if Nan-Hun releases them so easily, they'll think this is all Nan-Hun's plan.
That's possible, but one of the survivors knew of the emperor's order to buy time until the priestesses arrived in Seol-Wan.

The blast of divine power will have made him wonder if it was related to the emperor's priestesses.
And the fact that the Divine Bells are with me will increase his suspicion even more.

With the combined forces of Myung-Joo and Jung-Hun, we'll be able to block the Dae-Hyun army.

But the additional soldiers are not to defeat Dae-Hyun.

The important thing is stopping this war.

Judging by the way Baek-Yeom chose Nan-Hun as an opponent and destroyed half of Seol-Wan, I think he is starting a war to gather more people in one place.

Will he try to do THAT again after gathering more people?

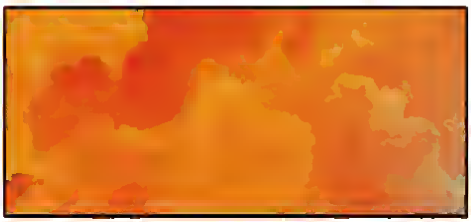
Just what could he gain by doing that?
As soon as possible, we need convince the Dae-Hyun army that the emperor in Dae-Hyun is an imposter.
That way, we can stop the war.

Now that Nan-Hun has released the Dae-Hyun prisoners, the soldiers will become confused.
There will be many disputes about who is the real emperor.
Even so, if a war is starting, they will all forget about that in the chaos.

We need something concrete:
clear, undeniable proof that you are the real emperor.
...

We need to summon all the other Divine Bells here.
Did you come up with some idea?
Yeah.

That is,
only if Your
Majesty gives
his approval.



rattle

Why are we traveling separately? And with this body too?

If I kill that little sleeping prince, would Baek-Yeom also die?
His soul is somewhere else, so it wouldn't work to kill his original body.

You sound a little sad about that.
...

Why didn't you tell him?
Just what is going on?
Oh. About them?
Why would I tell him such interesting information right away?
I'm just, uh, building the suspense.

I'm waiting for a dramatic moment to reveal that news to Baek-Yeom.

What is it?
I got her worried this time.

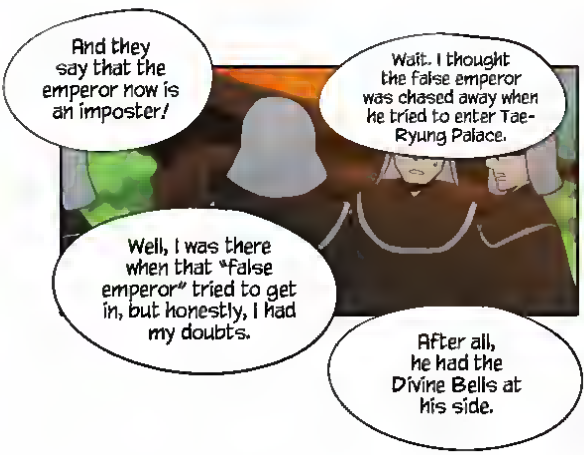
Ahhh. It's so satisfying.
?

It means I've found her weakness.

Dae-Hyun
Encampment near
Seol-Wan

Did you hear that?
They say that our emperor was responsible for Seol-Wan.
What are you saying?
Not only Nan-Hun soldiers died. Even more from our army were killed in the explosion.

The prisoners released by Nan-Hun are all saying this.



And they say that the emperor now is an imposter!
Wait. I thought the false emperor was chased away when he tried to enter Tae-Ryung Palace.
Well, I was there when that "false emperor" tried to get in, but honestly, I had my doubts.
After all, he had the Divine Bells at his side.

Just what is going on?
ATTENTION!!!
HIS IMPERIAL MAJESTY HIMSELF WILL PERSONALLY COMMAND THIS BATTLE!
SO, EVEN MORE THAN USUAL, BE ON YOUR UTMOST GUARD!!
YES, SIR!!!
As I thought, we were mistaken.
If that emperor were an imposter, no way would he come to the battlefield personally.
Yeah, you're right.

Let's
move out.

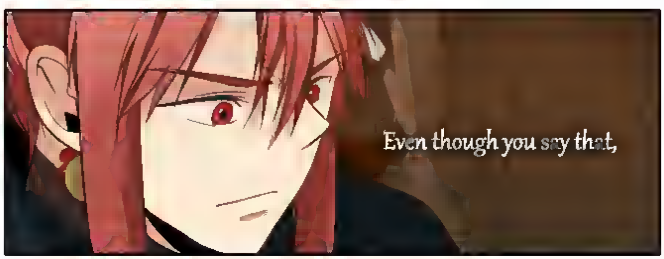
The emperor and Hong-Ryung should stay here. And of course the Divine Bells too
BUT—!
We didn't know Dae-Hyun would make its move so quickly, but we should be able to hold on until the other Divine Bells get here
And if the Divine Bells appear now, it'll mess up your plan

So just trust me and stay here!



...you still seem very worried.

What's the situation?

We can't advance because Myung-Joo and Jung-Hun are helping Nan-Hun.

Those two are the only countries that came to help?

Yes. It's a relief that there's no movement coming from Bu-Ho or Chi-Hu yet.
They are not stepping up even though I'm pushing this hard?

They have no guts.

The beam

Why is he showing his power so obviously?
Just what is he planning?
I'm going to check it out.
CHECK IT OUT?! NO MATTER HOW YOU LOOK AT IT, IT HAS TO BE A TRAP!
HE MIGHT BE TRYING TO LURE YOU THERE AND MAKE THE PLACE EXPLODE LIKE LAST TIME!

EVEN IF I'M NOT HERE, DAE-HYUN'S DIVINE BELLS AND THOSE ON THE WAY WILL BE HERE.

Sfx taka-tan
With their power, it should be okay.

He's right. Hoa-Back was destroyed because it was too much for him alone. But with all of us, it should be fine.

And I need to go, even if it is a trap.

To end this, I must face Baek-Yeom.

...

Then I'm going too.
But when the other Divine Bells arrive—

JUST WHAT WILL YOU DO WHEN YOU CAN'T EVEN USE YOUR FULL POWERS WITHOUT HELP?!
AND IT WON'T MAKE A DIFFERENCE IF I'M THE ONLY ONE MISSING!

It's true.

It won't matter if one Divine Bell is missing, so take him with you.

...

You must really dislike the possibility I'm thinking about.

Then I'll leave this place to you

And me. I'm going too.

Here, take this.

That might be so, but I came here to put an end to this.

Shall we go?

HAE-WOON-NIM!

You want to go see that priestess, right?

So, go back to Dae-Hyun.

If you go in this direction, you can reach Dae-Hyun while avoiding the battle.

I CAN STILL FIGHT!!

How do you plan to fight with that arm?

I'll use my left arm!
GAH! BE SERIOUS! JUST LISTEN TO ME!!

IF YOU STAY HERE I CAN'T FIGHT SERIOUSLY!!
HOW WOULD I BE ABLE TO FOCUS WITH AN INJURED GUY STRUGGLING AT MY SIDE?
SO JUST GO!

WHO TOLD YOU TO CARE? DON'T INTERFERE WITH MY BUSINESS!!
You!

I DON'T WANT TO SEE ANYONE DIE ANYMORE!!

I've seen enough.

Fine. I'll go.

But only if you promise me you'll make it back.
Make it back with His Majesty.
